

ARRANGE – ICT Kick-off Sofia

30/10/2018

@Stavriana_K

Who we are

- The Cyprus startup ecosystem entity
- Culminates the ecosystem's efforts to realize the pledge made by the Cyprus startup community to startup Cyprus.
- Active since 2013 - Founded as a legal entity in February 2016
- Founding member of the European Startup Network, Board member of Allied For Startups, GEN Cyprus and member of the eSkills National Coalition in Cyprus

What we do

- Startup support and networking services to startups with international startup hubs, VCs, acceleration/incubation programs creating a multidirectional flow of startups, experts, skills, and experiences
- Trainings and workshops on issues critical for success in entrepreneurial activities. Eg: Venture Academy, investment readiness training, startup basics, MVP, pitching, etc
- Training and workshops to train angel investors and startup entrepreneurs: Angel Bootcamp, Venture Academy, Pitch Clinics, MVP building
- Organizes events for the development and promotion of entrepreneurial culture and mindset. Lead organizers of important startup events and conferences on the island such as, Startups4Peace Acceleration Program, Startup Academy Cyprus, Startup Live Cyprus, Startup Weekend Cyprus, Insights Conference, Founders Meetups, Founder Institute Cyprus Chapter, Hackathons, Open coffee type events, Open mentoring/coaching activities, Conferences, workshops, One-to-one meetings with experts/coaches/etc and Networking sessions etc.
- Policy advocacy on national and European level. Government stakeholder – consults the national government on issues pertaining to startups and entrepreneurship
